"When my wife and I signed up for Lifeguard, little did we know we would be using our membership just a few months later. My wife fell in a remote area, breaking her wrist, and was in need of Pacific West Ambulance's service. Our Lifeguard membership saved our family thousands of dollars."

-Jim Kusz

LifeGuard is an Incredible Value.

Protect yourself from an unexpected ambulance transport bill for less than \$5 per month. As a LifeGuard member, you don't have to worry – you have no out of pocket costs, no copays, no deductibles and no surprises. When you compare the cost of an annual LifeGuard membership (\$65) to the average cost of an ambulance ride (\$1,500) or an out-of-pocket deductible (\$2,000), **LifeGuard is a great deal!**

Why Should I Join LifeGuard?

Insurance rarely covers the full cost of an ambulance transport, even after you pay your deductible. When you become a LifeGuard member, you receive peace of mind in knowing that your emergency medical transportation costs are covered, even if you are uninsured.
